T-shirts, relaxed trouser cuts, floral patterns and a soft light blue are just perfect for a bit of uninterrupted leisure time. The light-coloured denim jacket with small decorative details gives off a refreshing feel, and adds a casual touch to any outfit. The sisal-coloured gilet adds an extra bit of cool: the piece takes its inspiration from a biker jacket, but our version is a soft, sweatshirt interpretation. Some iced tea or a nice glass of wine will round off the lounge feeling perfectly. Uncomplicated and simply chic. Ideally forever!
