## P A R I S

L'esprit IODUS repose sur un savoir-faire pérenne depuis 25 ans, mêlant l'élégance à la sobriété. Imaginée, mise au point et coupée en France puis confectionnée en Europe, la marque est à la recherche constante d'un produit intemporel, à la coupe irréprochable et à la qualité durable. La maille signature Iodus douce et gainante assure un confort incomparable. C'est aussi un univers de lignes haut de gamme, où chaque détail et finition sont travaillés avec précision et minutie.

The spirit of IODUS is based on 25 years of savoir-faire, blending elegance and sobriety. Designed, created and cut in France, then manufactured in Europe, the brand is constantly looking for a timeless product, with an impeccable fit and lasting quality. Comfort is ensured by the search for a signature Iodus knit, both soft and gainful. It is also a universe of high-end lines, where every detail and finish is worked with precision and accuracy.

El espíritu de IODUS se basa en un saber hacer de 25 años, mezclando elegancia y sobriedad. Diseñada, concebida y cortada en Francia, y luego fabricada en Europa, la marca busca constantemente un producto intemporal, con un corte impecable y una calidad duradera. La comodidad está garantizada por la búsqueda de un tejido de punto lodus característico que es a la vez suave y de apoyo. También es un mundo de líneas de alta gama, donde cada detalle y acabado se trabaja con precisión y meticulosidad.

Der Geist von IODUS beruht auf einem seit 25 Jahren bestehenden Know-how, das Eleganz mit Schlichtheit verbindet. Die Marke wird in Frankreich entworfen, konzipiert und zugeschnitten und dann größtenteils in Europa konfektioniert. Sie ist ständig auf der Suche nach einem zeitlosen Produkt mit tadellosem Schnitt und dauerhafter Qualität. Der Komfort wird durch die Fortführung des Signatur-Strickes lodus gewährleistet, der gleichzeitig weich und formend ist. Es ist auch eine Welt der hochwertigen Linien, in der jedes Detail und jede Verarbeitung mit Präzision und Gründlichkeit bearbeitet wird.

IODUS si basa su know-how da 25 anni, unione di eleganza e sobrietà. Linee pensate e create in Francia, confezionate in Europa, il marchio è alla costante ricerca di un prodotto senza stagionalità, dal taglio impeccabile, di alta qualità. I tessuti IODUS sono soffici, e assicurano un incomparabile confort. Un universo di linee di alta gamma, dove ciascun dettaglio è curato nei particolari, con precisione e minuziosità.

# LES NOUVEAUTÉS

---

L'été 2024 franchit une nouvelle étape dans l'évolution de notre marque. Un savant mélange de formes iconiques et de nouvelles propositions mode tout en conservant l'ADN de IODUS, intemporalité, chic, élégance et féminité.

Des collections pensées pour des femmes multiples et changeantes à différents moments de la journée.

La gamme de coloris croise deux univers complémentaires. Une première palette composée de coloris élégants et sages : Noir, Marine, Rouge foncé, Poudre.

Une seconde chahutée par des coloris plus assumés : Lavande, Ocre, Cerise, Encre, Vert d'eau pleine d'énergie et de modernité.

Il faut croire aux rêves à l'invisible,  
sans quoi qu'il ne reste rien.
